[*Richmond, IN*] Coming to Civic Hall Performing Arts Center on Saturday, November 5, 2011 @ 8:00pm. The Beatles music set the pop rock standard for most of the 1960's. Now, in the 2000's, The “Cast” of Beatlemania recalls the memories of that exciting era when the Fab Four ruled the world of rock 'n' roll. In the early 1960's, The Beatles not only became a musical force but a sociological entity as well. Their hair, clothes and humor all contributed to their amazing impact. Probably the most celebrated of rock groups, The Beatles dominated rock music from the early 1960's until they formally disbanded in 1970. The “Cast” of Beatlemania continue in their show as The Beatles changed in their careers. Three different costumes coincide with the changing music and times. The "Cast" recreates the sights and sounds of The Beatles so faithfully that you will recall when the world was engulfed in the most pleasant fever of all: BEATLEMANIA!
