The Black Market Trust is an American pop/vocal jazz band whose current release II combines the sounds of the great American crooners and vocal groups with the romantic Eastern European gypsy fire of jazz guitarist Django Reinhardt. Consisting of five world class musicians who have traveled the globe recording and performing on the world's biggest stages and with music's most renowned artists, The Black Market Trust capitalizes on their experience and pedigree to deliver a sophomore album that brings a new and exciting sound to 12 tried and true classic songs.

The band's all-instrumental debut studio album, The Black Market Trust, released in 2012, is widely regarded as a milestone in the gypsy jazz world. Through the debut album, lead guitarist Jeffrey Scott Radaich gained notoriety for his songwriting, as well as his technical prowess and musicality. He has been touted as one of the most innovative and influential American acoustic gypsy jazz guitarists today. You don't want to miss this amazing and charismatic group!
